## 2017 Crime Analysts of Illinois Training Conference

October 5-6, 2017

**Harper College Palatine, Illinois**  
Wojcik Conference Center Building W  
1200 West Algonquin Road, Palatine, IL 60067

The Crime Analysts of Illinois (CAI) is pleased to present the 2-day Annual Training Conference. This year's conference combines prominent speakers and training professionals for the Law Enforcement Analysts professional. The CAI conference is perfect for crime and intelligent analysts, officer assigned to analytical roles, crime analysis unit supervisor or managers command staff interested in establishing or expanding their departments crime analysis functions. Our annual training conference has long been a time to learn, share ideas, establish a communications network, and re-connect with peers and meet new professionals.

The goal of this year's conference is to enhance the skills and knowledge of law enforcement professionals by offering opportunities to learn and exchange new ideas as well as re-connecting and bridging the crime analysis knowledge gap.
